EXPORT FROM INDIA · PRODUCT BROCHURE

Frozen shrimp and seafood from Andhra Pradesh

Andhra Pradesh is India's largest farmed-shrimp producing state. We source Vannamei and Black Tiger shrimp and frozen fish from processing plants approved for your market, and manage the paperwork from plant to port.

Vannamei
the main farmed species in the deltas

The origin

Andhra Pradesh is India's largest seafood-exporting state. MPEDA figures put its share at about 32% of India's marine exports by value in 2023-24, almost all of it farmed Vannamei shrimp from the Godavari and Krishna deltas.

Ponds run for kilometres around Bhimavaram, Amalapuram and Kakinada. Many farming families have moved from paddy to shrimp over the last twenty years, and the processing plants sit close to the farms.

Varieties and forms

Vannamei (white leg shrimp)	Farmed in the deltas. HOSO, HLSO, PD, PUD, PDTO, cooked, butterfly, skewers.
Black Tiger	Larger sizes, from farms and the sea. Premium for retail and food service.
Sea-caught fish and squid	Ribbon fish, croaker, squid and cuttlefish from Kakinada and Visakhapatnam landings, on request.

What we supply

- Vannamei and Black Tiger shrimp: HOSO, HLSO, PD, PUD, PDTO, butterfly, skewers
- Raw or cooked; block frozen, semi-IQF or IQF
- Glazing and net weight declared to your requirement
- Frozen fish and squid on request

Approvals behind the product

- **EIC** · Plant approval: Export Inspection Council approval of the processing unit
- **MPEDA** · Registered processor: Processor and exporter registered with MPEDA
- **HACCP** · Food safety plan: HACCP-based system in the plant
- **BAP** · On request: BAP or ASC certified farms and plants where buyers require them

Trade sheet

ORIGIN
Bhimavaram, Kakinada, Nellore (Andhra Pradesh)

HS CODE
0306 17 (frozen shrimp and prawns) · 0303 / 0304 (frozen fish)

PACKING
1–2 kg retail bags or printed boxes; 10–20 kg master cartons; 40 ft reefer at −18 °C

PORTS
Visakhapatnam, Kakinada, Krishnapatnam, Chennai

Documents with every shipment

- Health certificate issued by the Export Inspection Agency for each consignment
- Pre-shipment antibiotic residue test report
- Certificate of origin; catch or farm traceability where the destination requires it
- Commercial invoice, packing list, bill of lading

Season

Farmed all year; counts and volumes depend on the crop cycle, with more supply from April to September.

Market trend

Frozen shrimp is India's largest seafood export by value. The United States, China, the European Union, Japan and South-East Asia are the main buyers, and demand is growing for cooked and value-added packs.

Rules on tariffs, residues and plant listings differ by market and change often, so every order is matched to a plant approved for that destination.

How an order works

Requirement → producer shortlist with approvals → samples and lab tests → contract and proforma invoice → production and pre-shipment inspection → bill of lading, certificate of origin and health or phytosanitary certificates. Specifications, prices and lead times are confirmed in writing for each order.
